

Delta 32 inch

The Delta 32 inch Touchtable is an interactive play system with a 32 inch multitouch screen with 8 different games. Together with the shape of the table and the multiple touchpoints ensure four children can play together at the same time!

For the age group 6 to 13+ years, IKC studio has developed special touchtable software that meets their learning and development needs. They can play football against each other in teams, eat sushi at the bar or go fishing. The 32-inch TouchTable allows up to four children to play at the same time.

Our interactive play systems are:

- Easy-to-clean
- Extremely strong and durable
- Suitable for several children at the same time
- Energy-efficient
